# Advance Health Care Directive Form Instructions

**You have the right to give instructions about your own health care.**

**You also have the right to name someone else to make health care decisions for you.**

The Advance Health Care Directive form lets you do one or both of these things. It also lets you write down your wishes about donation of organs and the selection of your primary physician. If you use the form, you may complete or change any part of it or all of it. You are free to use a different form.

## INSTRUCTIONS

### Part 1: Power of Attorney

**Part 1 lets you:**

- **name** another person as **agent** to make health care decisions for you if you are unable to make your own decisions. You can also have your agent make decisions for you right away, even if you are still able to make your own decisions.
- **also name an alternate agent** to act for you if your first choice is not willing, able or reasonably available to make decisions for you.
- Your **agent may not be:**
  - an operator or employee of a community care facility or a residential care facility where you are receiving care.
  - your supervising health care provider (the doctor managing your care)
  - an employee of the health care institution where you are receiving care, unless your agent is related to you or is a coworker.

Your **agent** may make all health care decisions for you, unless you limit the authority of your agent. You do not need to limit the authority of your agent.

If you want to limit the authority of your agent the form includes a place where you can limit the authority of your agent.

If you choose not to limit the authority of your agent, your agent will have the right to:

- Consent or refuse consent to any care, treatment, service, or procedure to maintain, diagnose, or otherwise affect a physical or mental condition.
- Choose or discharge health care providers (i.e. choose a doctor for you) and institutions.
- Agree or disagree to diagnostic tests, surgical procedures, and medication plans.
- Agree or disagree with providing, withholding, or withdrawal of artificial feeding and fluids and all other forms of health care, including cardiopulmonary resuscitation (CPR).
- After your death make anatomical gifts (donate organs/tissues), authorize an autopsy, and make decisions about what will be done with your body.

## **Part 2: Instructions for Health Care**

You can give specific instructions about any aspect of your health care, whether or not you appoint an agent. There are choices provided on the form to help you write down your wishes regarding providing, withholding or withdrawal of treatment to keep you alive.

You can also add to the choices you have made or write out any additional wishes.

You do not need to fill out part 2 of this form if you want to allow your agent to make any decisions about your health care that he/she believes best for you without adding your specific instructions.

## **Part 3: Donation of Organs**

You can write down your wishes about donating your bodily organs and tissues following your death.

## **Part 4: Primary Physician**

You can select a physician to have primary or main responsibility for your health care.

## **Part 5: Signature and Witnesses**

After completing the form, **sign and date it** in the section provided.

The form must either be notarized OR signed by two qualified witnesses (see the statements of the witnesses included in the form). A notary is not required if the form is signed by two witnesses. The witnesses must sign the form on the same date it is signed by the person making the Advance Directive. See part 6 of the form if you are a patient in a skilled nursing facility.

## **Part 6: Special Witness Requirement**

A Patient Advocate or Ombudsman must witness the form *if you are a patient in a skilled nursing facility* (a health care facility that provides skilled nursing care and supportive care to patients). See Part 6 of the form.

***You have the right to change or revoke your Advance Health Care Directive at any time.***

***Your Advance Health Care Directive is an important legal document. Keep the original signed document in a secure but accessible place.***

***Give photocopies of the signed original to your agent(s) and doctor. If you enter a nursing home or hospital, have photocopies of your document placed in your medical file.***
